Office of the Accountant General, BOMBAY

Returned with compliments to Secretary Public Work Department, Govt. of Bombay

As the services of Shri. G.S.Chaudhari and Shri H.K.Kulkarni could not be verified by Superintending Engineer Southern Circle, Belgaum for want of local records, and ~~contemporary~~ contemporary evidence, he was advised to get the services admitted by the special officer, Pensions, since Govt. have specially appointed him for the pension work of states personnel. It appears from this U.O.R. now that special officer (pension) has not been delegated with powers of admitting service for pension. Govt. may therefore consider and issue necessary orders as to the course that may be adopted for admitting the service for pension of states personnel which cannot be verified from any source as required by the rules.

In the present case the Supdt. Engrs. S.C. has stated in his letter No. Q. 84/50. dt. 26th June 1950, that in both the cases it is found that no service record is available nor can the services be verified under sub-para (iv) of rule 29) of the B.C.S.R. 97 It is really not known how it is not even possible to obtain the testimony of contemporary Govt. servants as required under that rule. In this circumstances, there does not appear any other alternative but to rely on the statement given by the applicant himself unless it is considered necessary to ascertain first from the P.W.D. what attempts have been made by the Ex. Engineer, Dharwar Divn. & in the light of B.C.S.R 207 (a)(iv) (Public should not have delayed this case so long).

I do not think it is safe to rely upon the statement given by the applicant himself. We may call for information as per 'A' of the O.M. in the first instance. Some collateral evidence is bound to be available. Then the attempts are made.
